“Learning for all”

Curriculum

Whole-Child Learning

Middle School students choose a high-interest Encore class, like STEAM, Communications, or Family and Consumer Sciences, that encourage real-life problem solving.

Accelerated Learning

Accelerated and Gifted Math classes are offered to students at the elementary and middle school levels to augment student strengths.

Play-Based Kindergarten

The District's full-day kindergarten program uses play and discovery-based learning to keep students interested and active in learning.

Fine Arts

Award-winning band and chorus programs, with musicians and ensembles recognized on multiple levels. Regionally-recognized art students present three District-wide art shows each year.

Media Centers

Each media center director is a certified teacher, expanding learning into the media center. District 146 also offers the largest online library in the state.
